## **MANAGED CARE PROGRAMS**

Most Medicaid individuals are enrolled in one of the Department's managed care programs: Medallion 3.0, Commonwealth Coordinated Care (CCC), Commonwealth Coordinated Care Plus (CCC Plus), and Program of All-Inclusive Care for the Elderly (PACE). In order to be reimbursed for services provided to a managed care enrolled individual, providers must follow their respective contract with the managed care plan/PACE provider. The managed care plan/PACE provider may utilize different prior authorization,

billing, and reimbursement guidelines than those described for Medicaid fee-for-service individuals. For more information, please contact the individual's managed care plan/PACE provider directly.

Contact information for managed care plans/PACE providers can be found on the DMAS website for each program as follows:
